

Selma Stern Research Fellowship for Postdoctoral Researchers

The Selma Stern Center for Jewish Studies Berlin-Brandenburg promotes research collaborations between excellent international scholars and researchers of the Center.

Funded by

German Federal Ministry of Education and Research

In brief

Postdoctoral Researchers of all nationalities and in all fields of Jewish Studies can carry out part of their research project in cooperation with an academic host (member or affiliated scholar of the Selma Stern Center for Jewish Studies Berlin-Brandenburg).

Who can apply?

Postdocs with

- an outstanding doctorate degree completed less than 3 years ago
- a research project in one of the following research areas of the Selma Stern Center:
 - Das monotheistische Dreieck – Bilderverbot und Theorie der Kunst/The monotheistic triangle – Ban on Images and the Theory of Art
 - Zeugenschaft – Memorialkultur (nach) der Shoah/Bearing witness – Memorial Culture after the Shoah
 - Sefardische Perspektiven/Sephardic Perspectives
 - Diaspora – Migration – Transnationalität /Diaspora – Migration – Transnationalism
- Good Language proficiency in German and English

Further requirements

Applicants must present a research project in one of the above fields, a list of relevant publications, as well as a collaboration agreement with one of the (affiliated) researchers of the center/member of the Kollegium Jüdische Studien Berlin-Brandenburg (located in Berlin-Brandenburg). This should contain a common research question and a detailed working plan.

Type and extent of funding

- Fellowship of 2,000 euros per month.
- Other payments cannot be made.

Duration

1 to 3 months in summer term (May to July).

Application

- One selection round per year:
- Deadline 30 November for a stay in summer term of the following year;
- applications can be submitted by email.
- They include a CV;

- a list of publications;
- a brief description of the Postdoc-research project with a proposal for collaboration with one of the research areas of the center (not more than 5 pages);
- the collaboration agreement
- with a detailed working plan included.

Selection

Members of the selection committee are

- Members of the directory board
- Senior Research Fellows of the Center
- Postdoc researchers of the Center

The deadline for applications is 30 November 2018.

Applications are to be sent electronically as one single PDF file to:
